

CUT THE LIBERALS!

**TUESDAY
SEPT 28th
9:30am**

**Meet in
front of
First United
Church
(SE corner of
Gore & Hastings)**

THROW NEVCO OFF WELFARE!

If it's not a kick to the teeth, it's a kick to the teeth.

First they throw us off welfare then we're thrown out into the streets. Stan Hagen is the GOOF in charge of throwing us off. NEVCO is in charge of keeping us down. NEVCO is a council of POVERTY PIMPS who make millions regulating poverty. They have invited Stan to speak, but we won't let him!

**The APC red zoned Stan and his Liberals from the DTES for their crimes against the poor. Let's unite and keep him out! Join us for late morning breakfast and a people's picket to
SHUT THEM DOWN!**
