

BLACK CAT DISTRO CLEARANCE SALE

Black Cat Distro is clearing out all stock. Everything. Black Cat is no longer in business and all books, pamphlets, DVDs, music, etc. will be cleared out by the end of May.

Okay, here's how it works....

Section One lists the remaining items from the Black Cat Distro Catalogue. Section Two lists books and videos from my personal library that I am selling off.

The Catalogue items in the first section are all new and are priced at cost or below cost. There are no prices attached to the library books because it's all open to negotiation. More information or pictures of the books are available. If you'd like to know more about a title try an internet search first before asking, but I will be happy to answer any questions.

Step 1 - Make a list of what interests you and email it with your mailing address (city and postal code are enough) to blackcat@resist.ca.

Step 2 - I will weigh it all and tell you how much the postage will be. I will total your Catalogue items. I will then ask you to give me an offer on the library books.

Step 3 - You can then adjust your order, add or delete items, and make an offer on the books.

Step 4 - We will discuss and negotiate and see if we can reach an agreement. And if we do...

Step 5 - Payment:

At this time I am only accepting PayPal as a payment method. This is because everything is on a first-come first served basis. If you don't have or use PayPal chances are someone you know does and can help you. If this still isn't an option for you I can also accept Direct Deposit into my bank account.

If you live in Canada you will pay in Cdn. funds. If you live in the U.S. or elsewhere in the world you will pay in U.S. funds.

Bookstores and Distributors may inquire about buying any remaining stock.

Okay, that's all! Thank you all for your past and present business!

David Barbarash
