The Art and Science of Billboard Improvement

Billboard Liberation Front & Friends

A useful and comprehensive primer detailing methods for billboard alterations ranging from small, easily accessible boards to massive and more difficult ones on highways. 12 half pages. \$0.50

As Darkness Falls... Animal Liberation Front Primer

A new guide for A.L.F. actions, an excellent companion for older primers and takes the subject in new directions. Covers security, planning, liberations, and much more. 12 pages. \$1.50

As Soon As You're Born They Make You Feel Small: Self Determination For Children

Originally produced in the UK in 1986, this booklet is part of the ongoing discussion about children's oppression, advocating self-determination for all kids. 40 pages. \$2

Begin

A basic and very inspirational DIY-style how-to guide for beginning gardeners. Includes ideas about guerrilla gardening, seed saving, nutrition, as well as lots of great art! 16 half pages. \$1.50

Bodyhammer: Tactics and Self-Defense For the Modern Protester

Following in the wake of massive police brutality against protesters, some activists would rather protect their bodies. Topics covered include shield design and construction, helmets, improvised body armor, demonstration formations and tactics. 24 pages. \$1.50

Copse: A Cartoon Book of Tree Protesting

Written and illustrated by Kate Evans

This guide to specific tactics and methods of tree protesting is extracted from a larger book which is also titled Cope. That book tells stories of the anti-road movement in Britain through essays, interviews, photos, and Kate's incredible cartoons. This pamphlet is a useful tool for anyone interested in getting to know trees a little better. Contents include how to build a bender, tree villages, treehouses, walkways, knots, harnesses, prusiking, climbing, and tunnels. 28 half pages. \$1.50

Disorderly Conduct (Spring 2003, No. 6)

An excellent zine providing news and action reports from the frontlines of the resistance to this system of domination, including perspectives and ideas which may not necessarily fall into "green anarchist" or insurrectionary categories. Chock full of excellent graphics! 108 half pages. \$2.50

D.I.Y. Guide #2

A newly updated and printed version of this extremely popular guide covers additional topics not covered in the first edition, with sections on dismantling capitalism, travelling, abortion, building and fixing, record and book publishing, food, and art. 56 half pages. \$1.50

Elaho Zine: A Journal of Sasquatchology

This zine was produced by some of the people fighting to preserve the pristine Elaho Valley, just north of Vancouver. Not only does it cover the struggle waged in recent years, but it also discusses Canada's security apparatus, colonialism, native plants, and blockade tactics. 64 half pages. \$2

Enemies Of The State

A frank discussion of past political movements, victories and errors, and the current political climate for revolutionary struggles within the U.S.A., with anti-imperialist political prisoners Marilyn Buck, David Gilbert, and Laura Whitehorn. 76 half pages. \$2.50

Fighting For Our Lives

Published by CrimethInc.

The latest excellently produced communique from the folks who brought you Days of War, Nights of Love, this beautiful document spells out the CrimethInc. thought on Anarchy, and answers perhaps some of your questions about this prolific subversive propaganda collective's ideas and politic. free
